We will still offer you a discount on our regular accounts. Students and faculty who can provide documentation of EDU status receive a 30% discount off all regular accounts. *This offer cannot be combined with any other offers or ongoing discounts.*

If you want your school to participate

Please provide us with the appropriate contact information for the best person to speak with regarding this opportunity. You may have to do some research, but perhaps start with your Program Director/Department Head. We will be happy to contact your school on your behalf with an invitation to participate in the program. In the meantime, it may be a good idea to contact this person yourself to inform them of the potential benefit to your fellow students/teachers, and to let them know they will be receiving a call from a Foliolink representative. Please keep in mind this process can take some time, and we cannot guarantee that your school will be willing to participate.

To take advantage of this offer send an email to info@foliolink.com or call us at 1-877-863-6546.

Establishing Proof of EDU STATUS

When you sign up for an account with an EDU discount and your school is not a participating school you have 10* business days to provide the following information:

For proof of full-time enrollment or proof of teaching status at an accredited art/photography school, please send us a photocopy of your student ID or faculty ID, the school name and the school's website address.

Send this information via email to: info@foliolink.com with subject line EDU Status

*In the event that you cannot provide the proper documentation within 10 business days of your purchase, your account will be deactivated until we can verify your student or instructor status. If you cannot provide the necessary documentation, we will save your information and invite you to upgrade to the Turnkey or Premium account level if you wish to reactivate your account.
